## **Judges Chapter 11**

Gilead is the name of one of the clans of the tribe of Manasseh, it is also the name of the area on the east side of the Jordan River where that tribe settled, and it is the name of Jephthah's father.

Who appointed Jephthah as judge?

What was Jephthah's first step toward resolving the conflict with the Ammonites?  
How well did it work?

What bargain did Jephthah make with God after the Holy Spirit came upon him? Why would he do that?

When Jephthah returned his daughter ran to greet him "dancing to the sound of tambourines". How did Jephthah respond?
